# 1935—1963

SEVERAL COUNTRIES have books of biographical information about their own distinguished citizens. The U.S.A. has *Who's Who in America*. Norway has *Hvem er Hvem?* In Great Britain there is *Who's Who*. In Italy *Chi è?* There are others as well. Many countries do not have a national Who's Who at all.

Thousands of organisations and individuals in all parts of the world need a ready source of basic biographical details about prominent people in all countries. In London, a quarter of a century ago, the need was met for a world-wide reference work that was not bound by frontiers of any sort. 1935 saw the first edition of THE INTERNATIONAL WHO'S WHO. Today, as it did then, THE INTERNATIONAL WHO'S WHO selects from each country the men and women who, through their distinguished achievements, have gained international recognition.

The range of entries is wide. It includes persons prominent in government, administration, science, business, journalism, literature, diplomacy, education, religion, music, finance, films and theatre, law and other important activities. All the essential biographical details are included, in a clear and compact style—in one easily consulted volume.

## Biographie

De nationalité polonaise, Arthur RUBINSTEIN est né à Varsovie. Dès l'âge de trois ans ses dons musicaux se révélaient et, cinq ans plus tard, il obtenait du grand violoniste Joseph Joachim de sérieux encouragements. Agé de 8 ans, il va habiter Berlin , chez sa soeur ainée et travaille le piano avec Heinrich Barth, un élève de Bulow, de Tausig et de Liszt.

A 11 ans, il interprèete pour la première fois en public un concerto de Mozart, sous la direction de Joachim.Un peu plus tard il commence à donner des concerts dans les principales villes d'Allemagne et de Pologne. C'est à cette époque qu'il est présenté à Paderewski.

En 1905, Arthur RUBINSTEIN accomplit son premier voyage en Amérique du Nord; il joue notamment à Philadelphie et à New-York. Les critiques furent réservées. Le voici de nouveau à Berlin, puis à Paris d'où il rayonne dans les principales villes européennes. En 1916, l'Espagne l'accueille et le fête; il donne cent vingt récitals consécutifs et devient un familier du palais royal. L'Amerique du Sud lui réserve un succès analogue; c'est là que prend naissance la grande carrière internationale de Rubinstein.

En février 1919, nouveau voyage aux Etats Unis: il y retourne périodiquement jusqu'en 1927. En 1937, c'est enfin le triomphe assuré qui ne s'est jamais démenti depuis lors.

En 1954, Arthur RUBINSTEIN a reconquis son hôtel parisien, sis à quelques mètres de celui où Claude Debussy vécut les treize dernières années de son existence. C'est là qu'il réside entre les tournées qu'il poursuit dans le monde entier. Sauf le Thibet et l'Afghanistan, il a visité toutes les nations de l'univers. Il y est considéré comme l'un des plus grands virtuoses et interprètes de notre temps.

Paris, le **2 AVRIL 1970**

Monsieur,

Nous vous prions de trouver inclus l'épreuve de votre notice biographique telle qu'elle a été publiée dans la 9e édition de notre WHO'S WHO IN FRANCE.

Cette notice devant paraître à nouveau dans notre 10e édition, nous vous serions obligés d'y apporter les corrections et les additifs nécessaires et de nous la retourner. Ce faisant, vous ne contracterez envers nous, nous le précisons expressément, quelque obligation que ce soit.

Dans cette 10e édition figureront les notices biographiques de près de **21 000** personnalités vivantes, de nationalité française dans leur quasi-totalité, exerçant leurs activités en France ou à l'étranger. Qu'il s'agisse de savants ou d'industriels, d'hommes politiques ou de magistrats, d'architectes ou d'économistes, de médecins ou de chirurgiens, d'avocats ou de journalistes, de hauts fonctionnaires, de parlementaires ou de syndicalistes, de professeurs ou d'ingénieurs, de banquiers ou de diplomates, de gens de lettres ou de comédiens, de peintres ou de sculpteurs, de chefs militaires ou d'ecclésiastiques, de musiciens ou de sportifs, tous ceux qui comptent actuellement dans notre pays, tous ceux dont le nom se retrouve chaque jour au premier plan de l'actualité, seront l'objet d'une notice biographique dans notre Dictionnaire.

Précisons que notre WHO'S WHO IN FRANCE s'enrichit cette année de plus de **2 000** notices nouvelles consacrées soit à des personnalités dont l'accession récente à la notoriété leur vaut d'avoir été retenues par notre Comité de Rédaction, soit à des personnalités dont la présence dans notre Dictionnaire a été jugée souhaitable par certains utilisateurs de l'ouvrage à l'avis desquels nous nous sommes rangés, après l'enquête d'usage.

En revanche, un certain nombre de notices disparaîtront de notre Dictionnaire, soit en raison des décès intervenus depuis le début de 1969, soit encore que l'actualité n'en justifie plus la publication. En définitive, notre 10e édition comptera près de **1 600** pages dans le format **21×27** et contiendra quelque **21 000** notices, alors que la précédente n'en renfermait que **19 600**.

S'il entre dans vos intentions d'acquérir un exemplaire de notre Dictionnaire, le mieux est de nous retourner, en même temps que l'épreuve de votre notice biographique, le bon de souscription ci-dessous qui vous en garantira la livraison tout en vous faisant bénéficier d'appréciables conditions préférentielles.

Nous vous prions d'agréer, Monsieur, l'expression de nos sentiments les plus distingués.
